

DIRECTIONS TO THE ROSS RESERVE

- 1) Take **STATE ST. (SR-26)** west (towards the airport)
- 2) You will pass Airport road (traffic light; Purdue West) and continue heading west on **SR-26**
- 3) While on **SR-26**, you will arrive at a **four-way intersection with stop signs**. Follow the signs for SR-26 (head due West; left turn)
- 4) Continue on **SR-26** until **500 W**. 500 W will be roughly a 1 ½ miles after the 4-way intersection and the first street on the left. The turn for 500 W is also right before SR-26 goes down a big hill
- 5) Turn left on **500 W**. Follow 500 W until it deadends into division road (there will be construction barriers all around you).
- 6) Turn right on **Division Rd**. Follow Division Rd. for several miles, through fields, up a windy, forested hill, and by the golf course.
- 7) Soon after the golf course clubhouse (on your left), you will take a left on **875 W**. There are signs for the Ross Camp and Ross Hills Park.
- 8) Travel a ½ **mile** down the road and before the road takes a hard right, the Ross Reserve is on your left. There is a sign for the Ross on the left (that faces parallel to the road). The driveway has several no trespassing signs at the entrance. Turn left into the cinder driveway and park on the grassy areas. The cabin is down the driveway.

NOTE- DO NOT TAKE NEWMAN RD. or SOUTH RIVER RD. Division Rd. is closed slightly East of 500 W.
